

[10th September 1959]

I may also inform hon. Members that increased Dearness Allowance and Travelling Allowance to Members had to be incurred because there was a record attendance there.

**SRI A. A. RASHEED :** In view of the fact that only a small amount of additional expenditure has been incurred, will the Government make it a policy to hold the session every summer at Ootacamund?

**THE HON. SRI C. SUBRAMANIAM :** There is a misunderstanding. It was not a Government decision, according to which we hold the session at Ootacamund. It was a decision taken by the Members of the Legislative Assembly and the Members of the Legislative Council. If the Members again take a decision, certainly the Government would consider it.

**MR. SPEAKER :** Questions are over.
